Such right of refund does not include insurance premiums paid which are in no case refundable.

For travel insurance visit <https://www.msccruises.ca/manage-booking/before-you-go/travel-insurance>

#### **5. PASSPORT AND VISAS**

5.1 Passengers must hold fully valid passports for the whole duration of the Holiday Package and the expiry date must be at least 6 months after the return date. Certain countries insist on machine-readable and digital photo passports, especially Russia and USA.

5.2 The Company is not responsible for obtaining visas for any Passenger, this is the responsibility of the individual Passenger.  
It is the duty of the Passenger to verify that his/her passport, visas, or other documents for travel are accepted in the countries where the Holiday Package is deployed. Passengers are strongly advised to check for all legal requirements for travelling abroad and at the various ports to include the requirement of visas, immigration, custom and health.

5.3 Passengers under 18 years of age (or 21 years of age for US Passengers or Passengers embarking from a US port) must travel accompanied by their parents or a legal guardian. If one of the traveling minor's parents is not cruising, a signed authorization letter – made in accordance with the laws of the country where the minor resides - from the absent parent authorizing the minor to travel has to be provided at the moment of booking.

5.4 If the minor is travelling with Passengers that are not his parents or legal guardians, the Company shall require, at the moment of booking, a document signed by the parents or legal guardian authorizing the minor to travel with a chaperone or a designated individual, in accordance with Company's policies.

## **6. FITNESS TO TRAVEL**

- 6.1 The safety of all Passengers is of paramount importance to the Company, hence all Passengers warrant that they are fit to travel by sea (and if applicable by air) and that their conduct or condition will not impair the safety or convenience of the vessel or aircraft and the other Passengers, and that they can be carried safely in accordance with applicable safety requirements established by International EU or national law.
- 6.2 Any Passenger with a condition that may affect fitness to travel taking into account the vessel's itinerary must inform the Company at the time of Booking and submit a doctor's certificate prior to Booking. In any case, the Company and/or the Carriers has the right to request – at their own discretion – the Passenger to produce medical certificates supporting the fitness to travel.
- 6.3 Pregnant women are requested to seek medical advice before travelling; at any stage of their pregnancy they must obtain a medical certificate from a doctor confirming their fitness to travel on board the vessel taking into account the specific itinerary.
- 6.4 The Company and/or the Carriers do not have on board any of the cruise vessels adequate medical facilities or equipment for childbirth. The Company cannot accept a Booking and the Carrier cannot carry any Passenger who will be 24 weeks pregnant or more by the end of the Cruise.
- 6.5 The Company and the Carrier expressly reserve the right to refuse boarding rights to any Passenger who appears to be in any advanced state of pregnancy or who does not provide the medical certificate according to clause 6.2 above and shall have no liability in respect of such refusal.
- 6.6 In the case of a Booking made by a Passenger who was not aware at the time of Booking and could not have reasonably known at the time of Booking that she was pregnant over the terms provided by upper clause 6.4 then, the Company will offer the Passenger the choice of Booking another Cruise from the Company's brochure and/or from the Official Website of equivalent quality compliant with the above mentioned terms, if available; or cancelling and receiving a full refund of the full price paid by that Passenger for any cancellation of Booking as long as such cancellation is notified immediately as soon as such a Passenger becomes aware of her condition. The refund will not include insurance premiums paid which are in no case refundable.
- 6.7 If it appears to the Carrier, the master or the ship's doctor that a Passenger is for any reason unfit to travel, likely to endanger safety, or likely to be refused permission to disembark at any port or likely to render the Carrier liable for maintenance, support or repatriation, then the master shall have the right to refuse to embark the Passenger at any port or disembark the Passenger at any port or transfer the Passenger to another berth or cabin. The doctor onboard shall have the right to administer first aid and any drug, therapy or other medical treatment and/or to admit and/or confine the Passenger to the ship's hospital or other similar facility, if such measure is considered necessary by the doctor and is supported by the master's authority. Refusal by the Passenger to cooperate with regard to such treatment may result in the Passenger being disembarked at any port, if necessary through the intervention of local police officers or other competent authorities, and neither the Company nor the Carrier shall be liable for any loss, expense or compensation to the Passenger.

- 6.8 Where a Passenger is assessed as unfit to travel and refused embarkation then neither the Company nor the Carrier has any liability to the Passenger.

In any case, the Company and/or the Carriers has the right to request – at their own discretion – the Passenger to produce medical certificates supporting the fitness to travel.

## **7. DISABLED PASSENGERS AND PASSENGERS WITH REDUCED MOBILITY.**

7.1 The Company's and the Carriers' priority is always the comfort and safety of its Passengers and in order to achieve this the Passenger is asked at the time of Booking to provide as much detail as possible of the matters given below so that the Company and Carrier can consider its obligation to carry the Passenger in a safe or operationally feasible manner, taking into account any issues relating to the design of the passenger ship or port infrastructure and equipment including port terminals which may make it impossible to carry out the embarkation, disembarkation or carriage of the Passenger which may have an impact on the Passengers safety and comfort.

7.2 The Passenger is asked to provide full details at the time of Booking if the Passenger:

- a) Is unwell, infirm, Disabled or has Reduced Mobility;
- b) If the Passenger requires a special Disabled cabin, since there is a limited number of these available and since the Company would like to, wherever possible, accommodate the Passenger so that the Passenger is comfortable and safe for the duration of the Cruise;
- c) If the Passenger has any special seating requirements;
- d) If the Passenger needs to bring any medical equipment on board;
- e) If the Passenger needs to bring a recognised assistance dog on board the vessel (please note that assistance dogs are subject to national regulations).

7.3 Where the Company and/or the Carrier consider strictly necessary for the safety and comfort of the Passenger and in order for the Passenger to fully enjoy the Cruise, it may require a Disabled Passenger or Passenger with Reduced Mobility to be accompanied by another person who is capable of providing the assistance required by the Disabled Passenger or Passenger with Reduced Mobility. This requirement will be based entirely on the Company and/or the Carrier assessing the need of the Passenger on grounds of safety and may vary from vessel to vessel and/or itinerary to itinerary. Passengers confined to a wheelchair are asked to kindly furnish their own standard size collapsible wheelchair during the whole Holiday Package and might also be requested to be accompanied by a travelling Passenger fit and able to assist them..

7.4 If the Passenger has any particular conditions, Disability or Reduced Mobility which require personal care or supervision then such personal care or supervision must be organized by the Passenger and at the Passenger's expense. The vessel is unable to provide respite services, one-to-one personal care or supervision or any other form of care for physical or psychiatric or other conditions.

- 7.5 If after careful assessing the Passenger's specific needs and requirements, the Company and/or the Carrier concludes that the Passenger cannot be carried safely and in accordance with applicable safety requirements then the Company can refuse to accept a Booking or embarkation of a Disabled Passenger or Passenger with Reduced Mobility on the grounds of safety.
- 7.6 The Company reserves the right to refuse to carry any Passenger who has failed to adequately notify the Company of any disabilities or needs for assistance in order for the Company and/or the Carrier to make an informed assessment that the Passenger can be carried in a safe or operationally feasible manner on the grounds of safety. If the Passenger does not agree with a decision of the Company under clauses 7.5 to 7.6 of these Booking Terms & Conditions then the Passenger must provide a complaint in writing with all supporting evidence to the Company.
- 7.7 The Company reserves the right to refuse to carry any Passenger who in the opinion of the Company and/or the Carrier is unfit for travel or whose condition may constitute a danger to themselves or others on the Cruise on the grounds of safety.
- 7.8 For the safety and comfort of the Passenger, if the Passenger becomes aware between the date of Booking the Holiday Package and the date of commencement of the Holiday Package that he/she will require special care or assistance as detailed above, the Passenger is asked to inform the Company immediately so that the Company and the Carrier can make an informed assessment whether or not the Passenger can be carried in a safe or operationally feasible manner.
- 7.9 Disabled Passengers or Passengers with Reduced Mobility may not be able to go ashore at ports where vessels do not berth alongside. A list of these ports is available upon written request.
- 7.10 In some ports, it is necessary to anchor offshore rather than alongside. When this is the case, the Carrier will use a tender to take Passengers ashore. A tender is a small vessel and may not be suitable for persons with Disabilities or Reduced Mobility or balance problems. When using tenders, safety is the utmost priority. It is important that Passengers are able to use the tender safely. Passengers may be required to descend to a platform or pontoon and into the tender. There may be steps both up and down and Passengers may need to navigate a gap between the platform and the tender (which can be approximately 1.5ft). Depending on weather, tide and sea conditions, there may be some movement, which could change throughout the course of the day. Passengers must be fit and mobile enough to access and disembark the tender. If Passengers have impaired mobility, or use a mobility aid such as a stick, then they must carefully consider their ability to embark the tender safely before making their way down to the platform. Passengers must take into consideration the use of steps, the possibility of a gap and height difference between the platform and the tender, and the potential sudden movement of the tender when making a decision. Wheelchairs and mobility scooters, will not be carried by the crew into the tender. All Passengers must be independently mobile enough to use the tenders. Ultimately, carriage by tender may be refused by the master or any of his officers if there is any doubt as to the safety of any Passenger.

All Passengers must take extra care when stepping on and off the tender. There will be crew members there to guide and steady Passengers as they embark and disembark but they cannot support, lift or carry Passengers. The same precautions apply when Passengers disembark the tender in the port.

## **8. PUBLIC HEALTH QUESTIONNAIRE**

- 8.1 The Company and/or the Carrier and/or the health authorities in any port shall be entitled to administer a public health questionnaire on their own behalf. In addition to any Health and Safety measures that the Company may adopt, the Passenger shall supply accurate information regarding symptoms of any illness including but not limited to gastrointestinal illness, H1N1 and COVID-19. The Carrier may deny boarding to any Passenger that it considers in its sole discretion to have symptoms of any illness including viral or bacterial illness including but not limited to Norovirus, H1N1 and COVID-19. Refusal by a Passenger to complete the questionnaire may result in denied boarding.
- 8.2 Where Passengers become ill during the Cruise with viral or bacterial illness the ship's doctor may request them to remain in their cabin for reasons of safety.

## **9. FOOD ALLERGIES**

- 9.1 Passengers are reminded that some foods may cause an allergic reaction in certain people due to intolerance of some ingredients. If the Passenger has any known allergies, or is intolerant to any food, he/she is required to inform the Company at the time of Booking (by duly filling in a specific form) and further to report it to the Maître d'hôtel as soon as convenient after boarding the ship.
- 9.2 It is the responsibility of the Passenger to ensure that he/she actively avoids any food he/ she is allergic to. The Company will take all reasonable care if made aware in writing of any specific food or ingredient the Passenger has an allergic reaction to and assist the Passenger within reason to avoid any such food or ingredients if made aware by the Passenger according to clause 9.1 above; in absence of such information neither the Company, nor the Carrier will be held responsible for preparing special meals for the Passenger or any other prepared meals consumed by the Passenger. In case of multiple allergies/intolerances, even though informed according hereto, the Company or the Carrier might not be able to avoid the risk of cross-contamination during food preparation and therefore neither the Company, nor the Carrier will be held responsible if such contamination occurs.

## **10. MEDICAL ASSISTANCE**

- 10.1 Passengers are strongly recommended to have comprehensive travel health insurance covering medical treatment and repatriation costs and expenses.
- 10.2 In compliance with Flag State requirements, there is a qualified doctor onboard and a medical centre equipped for first aid and minor conditions only. The Passenger hereby acknowledges and accepts at the time of Booking that the medical centre is not equipped as a land based hospital and the doctor is not a specialist. Neither the Company, nor the Carrier, nor the doctor shall be liable to the Passenger as a result of any inability to treat any medical condition as a result.
- 10.3 The Passenger acknowledges that whilst there is a qualified doctor onboard the vessel, it is the Passenger's obligation and responsibility to seek medical assistance if necessary during the Cruise and will be responsible to pay for onboard medical services.
- 10.4 In the event of illness or accident, Passengers may have to be landed ashore by the Carrier and/or the master for medical treatment. Neither the Carrier nor the Company make any representation or accept any responsibility regarding the quality of the available medical

facilities or treatments at any port of call or at the place at which the Passenger is landed. Medical facilities and standards vary from port to port. Neither the Company nor the Carrier makes any representations or warranties in relation to the standard of medical treatment ashore.

- 10.5 The doctor's professional opinion as to the fitness of the Passenger to board the vessel or to continue the Cruise is final and binding on the Passenger.
- 10.6 It is recommended that medical advice is sought before Booking for children up to 12 months of age. For the avoidance of doubt the provisions of clause 6 and the requirement of fitness to travel is applicable to all Passengers including infants.

## **11. MEDICAL EQUIPMENT**

- 11.1 It is important that Passengers contact the manufacturer or supplier to ensure that any medical equipment they are intending to bring on board is safe to use. It is the responsibility of the Passengers to arrange delivery to the docks prior to departure of all medical equipment and to notify the Company prior to Book if they need to have medical equipment on board so that the Company and the Carrier can ensure that the medical equipment can be carried safely.
- 11.2 It is the Passengers responsibility to ensure that all medical equipment is in good working order and for arranging enough equipment and supplies to last the entire voyage. The ship does not carry any replacement and access to shore side care and equipment may be difficult and expensive. Passengers must be able to operate all equipment.

## 12. CANCELLATION REQUESTED BY THE PASSENGER

Cancellation of the Booking must be requested in writing (registered letter, email or fax) from the Passenger or Passenger's Travel Agent and received by the Company. All tickets issued and the confirmation invoice must be returned together with the notice of cancellation. To cover the estimated loss incurred by cancellation, the Company will levy cancellation charges in accordance with the following scale:

In case of a partial Booking cancellation whereby one or more Passengers have cancelled their Cruise Package, leaving one Passenger to occupy the cabin after the cancellation of the other Passenger(s), the remaining Passenger occupying the cabin for single use will be assessed a 100% single surcharge.

It may be possible for the Passenger to claim these cancellation charges from his/her travel insurance provider, subject to any applicable deductibles. It is the Passenger’s responsibility to make such a claim under the terms of his/her insurance policy. Neither Carrier nor Company have any liability under the travel insurance policy in the event of cancellation.

The Company may, in its sole discretion, waive the fees mentioned in this Section 13 if in the Company’s determination the cancellation is due to Force Majeure circumstance occurring at the place of destination or its immediate vicinity and which Force Majeure circumstance significantly affects the performance of the Cruise Package, or which significantly affects the carriage of Passengers to the destination.

Cruise contracts are non-transferable.

### **13. CHANGES REQUESTED BY THE PASSENGER**

A name change fee of \$50 per name change will apply for any name change made from the time the Booking penalty period begins, as stated in the above cancellation chart, until 7 days prior to departure. An original passenger must remain in the Booking for the name change not to be considered a cancellation. If an original passenger does not remain in the Booking, it will be considered a cancellation and is subject to the above cancellation charges.

For Bookings with the Bella Experience, a departure date change fee of \$50 per person will apply for any departure date change made from the time the Booking penalty period begins, as stated in

the above cancellation chart, until 30 days prior to departure. The new departure date must be within 90 days of the original departure date. Any change made less than 30 days prior to departure is considered a cancellation and is subject to the above cancellation charges.

For Bookings with the Fantastica, Aurea or Yacht Club Experience, one departure date change can be made free of charge from the time the Booking penalty period begins, as stated in the above cancellation chart, until 30 days prior to departure. Any subsequent departure date change will result in a fee of \$50 per person. The new departure date must be within 90 days of the original departure date. Any change to a date that is more than 90 days from the original departure date is considered a cancellation and is subject to the above cancellation charges. Any change made less than 30 days prior to departure is considered a cancellation and is subject to the above cancellation charges.

For Bookings for World Cruise, any departure date change must be to another World Cruise and, in such case, will be assessed a fee in the amount of 15% of the price of the Cruise Package paid by the Passenger. Any departure date change within 30 days prior to departure is considered a cancellation and is subject to the above cancellation charges.

In addition to the administration fees mentioned above, if the price of the new Cruise Package is higher than that of the original Cruise Package, the difference in price and any insurance premium will be borne exclusively by the Passenger. If the price of the new Cruise Package is lower than that of the original Cruise Package, no refund will be due to the Passenger.

MSC Cruises Canada recommends that every Passenger should have adequate insurance, which covers them sufficiently for cruise cancellation, medical assistance and expenses, and loss and/or damage to luggage.

#### **14. BOOKING CHANGES EFFECTED BY THE COMPANY**

- 14.1 Arrangements for the Cruise are made many months in advance by the Company. Very occasionally it may be necessary to alter them; therefore the Company expressly reserves the right to change the arrangements for the Cruise or the Holiday Package, should such changes become necessary or advisable for operational, commercial or safety reasons.
- 14.2 In the event of a significant alteration to an essential term of the Contract, the Company will inform the Passenger or his/her Sales Agent of such change in writing as soon as reasonably possible.

The Passenger will be offered the choice of:

- a) Accepting the alteration; or
  - b) Booking another Holiday Package from the Company's brochure and/or from the Official Website of equivalent or superior quality, if available; or
  - c) Booking another Holiday Package from the Company's brochure and/or from the Official Website of lower quality, if available, with a refund of the difference in price;
- or

d) Cancelling and receiving a full refund of all monies paid.

- 14.3 The notification of alteration will specify a reasonable response period by which the Passenger must notify the Company of their decision. The notification will further specify that if the Passenger fails to respond within the imparted time, the alterations will be considered to be accepted.
- 14.4 Once a Cruise or Holiday Package has been completed, and it is impossible to ensure the Passenger's return to their departure point as agreed in the Contract because of unavoidable and extraordinary circumstances, the Company shall bear the cost of necessary accommodation, if possible of equivalent category, for a period not exceeding three nights per traveller. Where longer periods are provided for in EU passenger rights legislation applicable to the relevant means of transport for the traveller's return, those periods shall apply.
- 14.5 The Company has the right to assign another cabin for the Passenger, as long as it has similar characteristics. If there is a change in accommodation to a lower-priced cabin, the Passengers affected by such change will be entitled to a refund of the price difference, according to the current rates.

## **15. CANCELLATION BY THE COMPANY**

The Company reserves the right to cancel any Cruise Package at any time for any reason by giving written notice to the Passenger. In such cases the Company will offer the Passenger the choice of (a) receiving a full refund of all monies paid; (b) booking another Cruise Package from the Company's brochure and/or from the Official Website of equivalent quality at no extra cost, if available; or (c) booking another Cruise Package from the Company's brochure and/or from the Official Website of lower quality, if available, with a refund of the difference in price. In no event shall the Company or Carrier be liable for any consequential damages or other damages as a result of such cancellation.

## **16. THE COMPANY'S LIABILITY**

- 16.1 Subject to clause 16.3 to 16.8 the Company accepts responsibility for death, injury or illness caused by the negligent acts and or omissions of it and anyone who supplies services, which form part of the Holiday Package. The liability of the Company is limited, where applicable, by the conventions mentioned in 16.4 to 16.14 inclusive. The liability of the Company toward the Passenger is governed also by the International Conventions mentioned hereunder (see

clauses 16.4 to 16.14) which provide limitations of liability of the Carrier. The Company is not responsible for any improper or non-performance which is:

- a) wholly attributable to the fault of the Passenger.
- b) the unforeseeable or unavoidable act or omission of a third party unconnected with the supply of any service to be provided under the Contract;
- c) an unusual or unforeseeable circumstance beyond the control of the Company and/or anyone who supplies services which form part of the Holiday Package the consequences of which could not have been avoided even if all due care had been exercised, including (but not limited to) an event of Unavoidable and Extraordinary Circumstances ; or
- d) an event which the Company and/or anyone who supplies services which form part of the Holiday Package could not even with all due care have foreseen or forestalled.

16.2 For claims not involving personal injury, death or illness or which are not subject to the conventions referred to in clause 16.4 to 16.14 inclusive, the Company's liability for improper performance of the Contract shall be limited to a maximum of three times the price which the affected Passenger paid for the Holiday Package (not including insurance premiums and amendment charges).

16.3 All carriage (by land, air and sea) is subject to the Conditions of Carriage of the actual Carrier. These may limit or exclude liability. They are expressly incorporated into these Booking Terms and Conditions and are deemed to be expressly accepted by the Passenger at the time of Booking. Copies of these terms and conditions are available on request from the Company.

16.4 Carriage of Passengers and their luggage by air is governed by various International conventions ("the International Air Conventions"), including the Warsaw Convention 1929 (as amended by The Hague Protocol 1955 or the Montreal Protocol 1999 or otherwise) or the Montreal Convention 1999. To the extent that the Company may be liable as a non-performing air Carrier to Passengers in respect of carriage by air, the terms of the International Air Conventions (including any subsequent amendments and any new convention which may be applicable to a Contract for a Cruise between the Company and a Passenger) are expressly incorporated into these Booking Terms and Conditions and in the Conditions of Carriage. The International Air Conventions fix limitations of liability of the Carrier for death and personal injury, loss of and damage to luggage and delay. Any liability of the Company toward the Passenger arising from a carriage by air is subject to the limitation of liability provided by said Conventions. Copies of these conventions are available upon request.

16.5 Insofar as the Company may be liable to a Passenger in respect of claims arising out of carriage by air, land or sea, the Company shall be entitled to all the rights, defenses, immunities and limitations available, respectively, to the actual Carriers (including his own terms and Conditions of Carriage) and under all the applicable regulations and/or conventions, such as the Athens Convention, the Montreal Convention and nothing in these Booking Terms and Conditions nor in the Conditions of Carriage shall be deemed as a waiver thereof. If any term, condition, section or provision becomes invalid or be so judged, the remaining terms, conditions, sections and provisions shall be deemed severable and shall remain in force.

16.6 The liability (if any) of the Company and the Carrier for damages suffered as a result of death or personal injury to the Passenger, or loss or damage to luggage shall be determined

in accordance with the following:

16.7 In relation to Carriage by Sea EU Regulation 392/2009 Concerning the Rights of Passengers when travelling by sea in the event of Accidents (EU Regulation 392/2009), shall apply to international carriage by sea where the port of embarkation or disembarkation is in the EU or where the vessel has an EU flag or where the contract of carriage is made in the EU .

A copy of EU Regulation 392/2009 is available on request and can be downloaded from the Internet at [https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/2724/anne-x-b-reg-ec-392-2009.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/2724/anne-x-b-reg-ec-392-2009.pdf). A summary of EU Regulation 392/2009 can be found at <http://ec.europa.eu/transport/themes/passengers/maritime/doc/rights-in-case-of-accident.pdf>

Where the vessel is being used as floating accommodation then the provisions of the Athens Convention 1974 and the limits therein will apply and are hereby expressly incorporated into these Booking Conditions including any claims for loss of or damage to luggage and or death and or personal injury.

16.8 The level of damages the Company and the Carrier may be liable to pay in relation to death and/or personal injury and or loss of or damage to Luggage is limited and shall in no circumstances whatsoever exceed the limits of liability set out in EU Regulation 392/2009, or where applicable Athens Convention 1974..

16.9 The liability of the Company and the Carrier for death, personal injury or illness to the Passenger shall not exceed 46.666 Special Drawing Rights ("SDR") as provided and defined in the Athens Convention 1974 or, where applicable, the maximum sum of 400,000 SDR pursuant to EU Regulation 392/2009 or The Athens Convention 2002 and, where there is liability for war and terrorism under EU Regulation 392/2009 or The Athens Convention 2002, 250.000 SDR.

Liability of the Company and the Carrier for loss of or damage to Passenger's luggage or other property shall not exceed 833 SDR per Passenger under the Athens Convention 1974 or 2,250 SDR where EU Regulation 392/2009 or Athens Convention 2002 applies.

It is agreed that such liability of the Company and the Carrier shall be subject to the applicable deductibles per Passenger, such sum to be deducted from the loss or damage to luggage or other property.

The Passenger understands that the conversion rate of SDR's fluctuates daily and may be obtained from a bank or Internet. The value of an SDR can be calculated by visiting [http://www.imf.org/external/np/fin/data/rms\\_five.aspx](http://www.imf.org/external/np/fin/data/rms_five.aspx).

16.10 It is presumed under the Athens Convention 1974 and where applicable The Athens Convention 2002 or EU Regulation 392/2009 that the Carrier has delivered Luggage to a Passenger unless written notice is given by the Passenger within the following periods:

(i) in the case of apparent damage before or at the time of disembarkation or redelivery

(ii) in the case of damage which is not apparent or loss of Luggage within fifteen days from the disembarkation or delivery or of the date that such delivery should have

taken place.

- 16.11 If the carriage provided hereunder is not “international carriage” as defined in Article 2 of EU Regulation 392/2009 or the vessel is being used as a floating hotel and or domestic carriage by sea in the UK, the provisions of the Athens Convention 1974 shall apply to this contract and be deemed to be incorporated herein mutatis mutandis.
- 16.12 The Company shall not be liable for loss or damage to any valuables such as monies, negotiable securities, precious metal items, jewellery, art, cameras, computers, electronic equipment, or any other valuables unless they are deposited with the Carrier for safe-keeping, and a higher limit is agreed expressly and in writing at the time of deposit, and an extra charge is paid by the Passenger for declared value protection. Use of the ship’s safe is not a deposit with the ship. Where there is liability for loss of or damage to valuables deposited with the ship then such liability is limited to 1,200 SDR under the Athens Convention 1974 or 3,375SDR where EU Regulation 392/2009 or Athens Convention 2002 applies.
- 16.13 The Company and the Carrier shall have full benefit of any applicable laws providing for limitation and/or exoneration of liability (including without limitation, law and/or the laws of the vessel’s flag in respect of/or the global limitation on damages recoverable from the Carrier). Nothing in these Booking Terms and Conditions is intended to operate to limit or deprive the Company and the Carrier of any such statutory or otherwise limitation or exoneration or liability. The servant and/or agents of the Company and the Carrier shall have the full benefit of all such provisions relating to the limitation of liability.
- 16.14 Without prejudice to the provisions of 16.7 to 16.13 above, if any claim is brought against the Company and Carrier in any jurisdiction where the applicable exemptions and limitations incorporated in these Booking Terms and Conditions are held to be legally unenforceable then the Company and the Carrier shall not be liable for death, injury, illness, damage, delay or other loss or detriment to any person or property arising out of any cause of whatsoever nature which has not been shown to have been caused by the Company and Carrier’s own negligence or fault.
- 16.15 Notwithstanding anything to the contrary elsewhere in these Booking Terms and Conditions, the Company shall not in any circumstances be liable for any loss or anticipated loss of profits, loss of revenue, loss of use, loss of contract or other opportunity nor for any other consequential or indirect loss or damage of a similar nature.
- 16.16 The liability of the Company is excluded for claims arising out of loss or damage directly or indirectly occasioned by circumstances where performance and/or prompt performance of the Contract is prevented by reason of war, or threat of war, riot, civil strike, industrial dispute whether by the Company’s employees or others, terrorist activity or the threat of terrorist activity, failure of power supplies, health risks or epidemics natural or nuclear disaster, fire or adverse weather conditions or adverse sea states, Passenger’s suicide or attempted suicide or the Passenger’s deliberate exposure to unnecessary danger (except in an attempt to save human life), or the consequences of participating in an unusual and dangerous activity and any other circumstance of any nature whatsoever outside the Company’s control.
- 16.17 Where the Company has any legal liability for loss of or damage to property otherwise than in accordance with the Athens and/or Montreal Conventions then its liability shall not at any

time exceed EUR 500,00 and the Company shall not at any time be liable for money or valuables. Passengers must not pack money or other valuables in their luggage.

16.18 The Company's liability will not at any time exceed that of any Carrier under its Conditions of Carriage and/or applicable or incorporated conventions. Any damages payable by the Company shall be reduced in proportion to any contributory negligence by the Passenger.

## **17. ITINERARY / RIGHT TO CHANGE**

17.1 The Company reserves the right at its sole discretion and/or that of the master of any vessel (which will not be exercised unreasonably) to decide whether to deviate from the advertised or ordinary itinerary, to delay or anticipate any sailing, to omit or change scheduled ports of call, to arrange for substantially equivalent carriage by another vessel, to tow or be towed or assist other vessels or to perform any similar act which, in its and/or master's sole discretion will deem advisable or necessary for the safety, of the Passenger, of the vessel and crew. In such circumstances neither the Company nor the Carrier will be under any liability or obligation to the Passenger.

## **18. PASSENGER'S RESPONSIBILITY**

18.1 The Passenger has a duty to follow the instructions and orders of the master and Officers while onboard. The Passenger hereby accepts and agrees that the master and officers are entitled and have authority to inspect any person on board, any cabin, baggage and belonging for safety, security or other lawful reasons.

18.2 The Passenger hereby expressly agrees to allow any such search.

18.3 Passengers must have received all necessary medical inoculations prior to the Cruise and have in their possession all tickets, valid passports, visas, medical cards and any other documents necessary for the scheduled ports of call and disembarkation.

18.4 Each Passenger warrants that he/she is physically and mentally fit to undertake the Cruise.

18.5 The Carrier and/or the master have the right of refusing the boarding or order the disembarkation of any Passenger should they deem it necessary, for the safety, security, of the Passenger, of the other Passengers or of the ship or should the Passenger's conduct which, in the reasonable opinion of the master, is likely to endanger or impair the comfort and enjoyment of other Passengers onboard.

18.6 No Passenger shall bring any animals whatsoever, except for recognized service dogs, subject to clause 7 above.

18.6 the Company and/or the Carrier will be under no liability whatsoever to any Passenger in respect of any breach or non-observance by any Passenger of the provisions of this clause and any Passenger shall indemnify the Carrier and the Company against any loss or damage occasioned to the Carrier or the Company or any of its suppliers by such breach or non-observance.

- 18.9 Passengers shall be liable for any damage suffered by the Company and/or the Carrier and/or any supplier of any service that forms part of the Holiday Package as a result of the Passenger's failure to comply with his contractual obligations. In particular, the Passenger shall be liable for all damages caused to the vessel or its furnishings and equipment, for injury or loss to other Passengers and third parties, and also for all penalties, fines and expenses attributable by the Passenger that the Company, Carrier or supplier may be liable to pay.
- 18.10 Passengers are not allowed to sell and/or purchase from other passengers or travel operators on board the ship any type of commercial services – including but not limited to shore excursions – which are not official offered by the Company or its agreed independent contractors.

## **19. FLIGHTS**

- 19.1 The Passenger will be informed on the identity of the carrying airline or the aircraft type to use to execute the Holiday Package as soon as the Company becomes aware of such identification details. All flights will be operated on scheduled or chartered services of recognized air Carriers. In those circumstances the air ticket payment needs to be made by the Company in advance and is normally not refunded by the air Carrier.
- 19.2 The Passenger will receive confirmation of flight timings and routes with their travel documents, which will be sent out approximately 30 days before departure.
- 19.3 For travel on dates other than those published in the Company's brochure and/or in the Official Website or on a particular Carrier or routing a higher fare may apply in which case the Passenger will be notified before Booking.

- 19.5 The Company shall have no liability under the Regulation 261/2004 such liabilities being entirely those of the air Carrier to whom the Passenger must address all claims. In exercising their rights under the Regulation 261/2004 the Passenger must seek to take as much of the Contract as possible and must not prejudice the Company's rights under these Booking Terms & Conditions or in law.
- 19.6 Where air carriage is included in the Contract, the Company will advise Passengers of flight timings from data supplied by the air Carrier as part of the holiday documentation. It is the Passenger's responsibility to ensure arrival at the airport in sufficient time to check in and board the aircraft. Passengers must note that not all medical equipment can be carried or used onboard aircraft. Passengers must check with the airline prior to carriage.

- 19.7 If the Contract does not include flights, it is the Passenger's responsibility to obtain a valid ticket directly from an air Carrier suitable for and in time for travel to the vessel (and including local transfers which the Passenger must arrange), as necessary. The Company shall not be responsible for any liabilities arising in respect of flights or transfers arranged by the Passenger.

## **20. COMPLAINTS**

- 20.1 Any Passenger with a complaint whilst on a Cruise must bring it to the attention of the Cruise staff onboard as soon as possible. If the Cruise staff is unable to resolve the problem, any complaint should be notified in writing to the Company within 15 days of the termination of the Cruise. The Passenger shall provide such further information as may be required by the Company to deal with the complaint. If the Passenger is not satisfied with the response then it may complain to the relevant enforcement body in the country of embarkation.
